Comics & Cartooning Camp

Monday - Friday, 1:00 - 4:00 pm / 10+ / Wallace Ryan / \$100

This camp is a perfect introduction to the art of comic books, cartoons, and graphic novels for kids 10 & up. Celebrated local cartoonist Wallace Ryan teaches the skills of pencilling, inking and lettering as they develop their own comic strip throughout the week! Kids will improve their drawing skills, as well as develop original characters and captivating story lines. Participants will also gain cartooning knowledge through discussions regarding the North American and Japanese styles of comics and a brief history of cartooning. And on Friday afternoon, there will be a field trip to Downtown Comics!

Seams Sew Easy Camp

Monday - Friday, 9:00 am - 12:00 noon / 10+ / Gina King / \$110

If you would like to learn how to make your own fabric creations this Seams Sew Easy camp is for you! It is one of our most popular camps, and much-loved instructor Gina Rae King will teach participants all about sewing machines: how to set up and thread the machine, how to sew straight and curved seams, as well as how to work with a variety of fabrics, and how to read, cut, and pin simple patterns. You can choose from our magic box of funky fabrics to create a stuffed animal/monster, a tote bag, phone case, and more! Sewing machines supplied by Anna Templeton Centre.

Art & Craft Camp (8-11) or Junior Art & Craft Camp (6-7)

Monday - Friday / Laura Hutchings / Jenny Dwyer

Half Days: 9:00 am - 12:00 noon or 1:00 - 4:00 pm / \$100

Full Days: 9:00 am - 4:00 pm (supervised lunch 12:00 - 1:00 pm) / \$195

Expert art instructors Jenny Dwyer & Laura Hutchings will lead kids through an exciting assortment of craft and art projects. Kids will create masterpieces in a variety of media, including watercolour and acrylic paint, ink, pastels, print-making, and more. Each child will develop and be challenged at their own level of experience through group and individual projects and friendly encouragement from the instructor. A combination of free-form creative projects and lessons in colour theory, drawing and painting, print-making, and sculpture will make learning a blast. This camp provides a foundation for the development of skills and creative thinking that will benefit their future creative pursuits! New and returning students are welcome!
